

Outgoing 09/06/2015 19:03:27 To: +[redacted] PD Mel

Oh don't feel like that, I'm sorry you had to end your shift like that. I've said to Nurse T that I can't look after Child B because I just don't know how I'm going to feel seeing parents. Dad was on the floor crying Saying please don't take our baby away when I took him to the mortuary, it's just heartbreaking. Glad the photos are nice X
