Dear Ms Ratcliffe

Re: Child A deceased

Further to my email, I confirm that I am looking to set the Inquest down for hearing in October and as requested, please let me know whether there are any dates that need to be avoided so far as you are concerned.

Subject to anything unexpected within the SUI, I intend to call the following witnesses to give evidence:-

1. Dr Gail Beech
2. Dr Rajeev Shukla
3. Dr Christopher Wood
4. Dr David Harkness (statement awaited)
5. Dr Ravi Jayaram
6. Dr Theresa McCormick (statement awaited)
7. Dr Satyanarayana Saladi
8. Dr Joanne Davies (statement to be read)
9. Dr Andrew Brunton (statement to be read)

I enclose copies of all the above statements save the two witnesses who have yet to provide statements.

Yours sincerely

N L RHEINBERG
