Subject: FW: Inquest into death of **Child A** (DOB **PD** 06.2015)

Sir

Please see the email.

I have spoken to Kirsty who took the file over from Yvonne and she is still awaiting reports from COCH and SUI. The baby died in June 2015.

Subject: Inquest into death of **Child A** (DOB **PD** 06.2015)

Dear Sirs

We write further to previous correspondence regarding this matter. As the Coroner is aware, we have been instructed to represent the family.

The parents are understandably still very upset over **Child A**'s death, and are frustrated at the current duration of the investigations, as **Child A** died over a year ago.

With this in mind, I wondered whether the Coroner had any potential dates in mind for when the Inquest may take place?

I look forward to hearing from you as soon as possible.

Kind regards
