Dear Mr Rheinberg

Thank you for your letter dated 11<sup>th</sup> August 2016.

I am able to confirm that the statements of Dr David Harkness, Dr Theresa MacCarrick and Dr Sally Ogden were sent to you yesterday by recorded delivery. (please note that the statement of Dr Theresa MacCarrick is referenced in your letter as Dr Theresa McCormick).

The medical notes have been previously sent to you (via recorded delivery) on 12<sup>th</sup> January 2016 addressed to Yvonne Williams, we are happy to supply a duplicate if required.

I understand that a Obstetric Secondary Review (OSR) was undertaken and will make arrangements for this to be sent to you and I have asked the Medical Director to let me know as a matter of urgency of any other reviews that may have been undertaken.

I will arrange for the non-availability of witnesses to be sent to you as soon as possible.

Kind regards  
Stephen
