Dear Tony and Sir Duncan

Please find attached a copy of a grievance we have submitted on behalf of our member.

I appreciate that you will feel you cannot get involved but I believe you should know how a member of staff is feeling within the trust, as this has now dragged on for several weeks my member has been left with no other alternative.

I would appreciate it if this is not discussed with the rest of the executive team due to the sensitivity of it.

Kind Regards

Hayley
