I will check with Ian as to where he is up to around this and not sure this happened before his annual leave.

Thanks,

Hi Alison / Sue

As part of this we were going to ask Ian to speak to SB and ask him to formally voice his concerns under Speak Out Safely.

I think we need to do this in parallel – any thoughts?

Kind Regards

Hi, As we discussed, I am confident I will have a name and some potential dates tomorrow, in respect of an external professional to hear this case. I am conscious we need to get this heard ASAP
