Subject: NNU Thematic Review

Hi Ian,

Please see Steve's comments below which alarmed me!! Since receiving this, I have asked Karen Rees to liaise with Eirian regarding this particular nurse (Eirian further review is attached for info), I am currently reassured that there are no issues but I think this is worthy of a wider review hence our planned meeting

This has been arranged for next Wed to review all the issues with us. Something we need to discuss at our 121 on Monday!

Thanks, Alison

Thanks Alison,

There is a nurse on the unit who has been present for quite a few of the deaths and other arrests. Eirian has sensibly put her on day shifts only at the moment, but can't do this indefinitely. It would be very helpful to meet before she is due to go back on night shifts. There is some pressure regarding staffing numbers with this at the moment.

Best wishes,

Steve
