Hi Eirian,

I think we still need to talk about Lucy – maybe when you are back and free the three of us can meet to talk about it?

Subject: NNU mortality thematic review 2015 - Action plan Feb 16

Dear all,

I have brought together all the summaries of the reviews of care into this thematic review report. Many thanks to Nim, **Doctor V**, Eirian and Anne for your contributions.

The report includes a summary of the cases discussed, themes identified and an action plan. The Appendix has embedded documents of all the previous reviews prior to the thematic review.

Ian Harvey has asked if this can be joined up with the obstetric review – maybe this can be done when it is signed off at Governance Board.

Please take time to read through the learning and action points. We 'll try to work through these and maybe have a better 2016!

Thanks for your time.

Steve
