Dear Alison

I am meeting with Eirian tomorrow, so I will discuss this with her then.

Kind regards
Karen

Hi Karen,
Please see attached (not sure you will have had previous sight of this), Lucy Letby highlighted in red!! I have not noticed this when I first reviewed. Can you please look into this as per my previous email, many thanks

Alison

AAh!! Can you please look into this with Anne M/Eirian – if there is a staff trend here and we have already changed her shift patterns because of this, then this is potentially very serious!!

I will check the report they sent through – I did not notice there was a staff trend!!

Thanks, Alison
