Thanks Alison,
There is a nurse on the unit who has been present for quite a few of the deaths and other arrests. Eirian has sensibly put her on day shifts only at the moment, but can't do this indefinitely. It would be very helpful to meet before she is due to go back on night shifts. There is some pressure regarding staffing numbers with this at the moment.
Best wishes,
Steve

Sorry Steve, I don't, well have to rearrange as I would like Ian to also be at the meeting

Will advise you ASAP accordingly re an alternative date
Regards, Alison
