Hi Steve,

Yes, Karen did discuss this with me last week and I am touching base with her again today. I will discuss with Ian this am re trying to attend your meeting. From our previous meeting held several weeks ago we agreed we would meet in July anyway so the timing is appropriate

Regards, Alison

Dear Alison,

I'm hoping Karen has already spoken to you about our 2 mortalities last week. We were going to discuss them at our senior paediatricians' meeting at 1200 on Monday anyway. I was wondering if it might save time and meetings if you and Ian could join us at that meeting to discuss the ongoing issues?

I tried to include Ian in this email but his address didn't seem to be coming up on the web mail version of [REDACTED]

Steve
