

TUES. 4. APRIL 2017

10.30am. DN, TC, IH, SP, SIMON.

TC outline

Para 1. Do not use para 1 re: no evidence  
to justify a criminal investigation

Review report (Royal College) - excellent.

Nurse L. identified.

Evidence - her presence! But nothing else.

13 deaths. 5 explainable. ∴ 8 not explained.

↳ Increased demand  
Activity - less than 2005.

Right thing to report to Police.

114 Quantitative side being

Qualitative more difficult to handle.

ADVICE.

Any mileage in going to consultants again?

No evidence.

No lead.

Agree we need to get to bottom of this.

If you force us to.

Same team. Best outcomes

TC. Collecting MIND sets.

114 No based on previous mkg

DN. Pathology. forensic → where wd it go?
