

THURS. 30. Jan. 2016. ON TC IH AK Sue SPc

AK. Asked Julie about plan for reduced service.
r there is a plan.

eg. less than 34 wks. not to court. AK point of contact

IH. We cannot accept that unit is safe despite their UNTIL
REVIEW
COMPLETED

ON. Did they say they wd go to Level 1 -
is that just SCBU?

IH. More than that

TC. clanny - need re: what does Level 1 mean

AK. How do we manage Nurse & Unit?

Ed Nurse go to Police/Name?

Karen to within Nurse's AU. (2 wks?)

Need to understand Eiron's conversation with nurse
Nurse getting occ. Health Support.

Ed extend well-being aspect.

Nurse Hc file (DAt) introvert. Quiet.

Sue. Request from Tim Lister access to unit.

Not stopping Nurse action.

Decision considered BUT consensus not known.

Need conversation with Kathryn re: add. support.

IH. Whichever nurse - Nurse is going to be affected.

Sue. Is this the last day

AK. Forensic deep dive → Karen T. / Ruth.

plus shift day before eh

Nurse - any agency shift.

Conner - Julie F. - Consultants split

Conner. Email re: Hc Pathology.

Obtain referral forms for recent

baby deaths.

Deep dive re transfer (5 times) & then back to court
→ deterioration.

Atk. Child A baby death (Inquest)
 obtain referral for death.
 Pull together matrix for comms to all.

TC. Can we decide what we are doing
 Demands:

- o Review w/ 2 wks. ACTION IH.
- o Shift member ACTION SUE
 ↳ clear articulation
 of consultants concern
 to Atk. to formalise.
- o Closure of unit ACTION IH.
 ↳ need to see plan. Atk.

o Comms. - sequence.

- o Environment - access/egress. ACTION - Tim Lister
- o Surveillance
- o Formal review of security

DM.

Commission indep. review - it will take as long as it takes.
 Unit will not be opening same as now.

During period nurses will hv. to be re-deployed
 or visibility - pressure re-deployment
 If so much concern - why haven't we closed unit.

- o Bad practice.

Next mtg comms/nurses/IH2 → 1pm today

— " — Consultants → 3pm today

TC & IH. to draft statement re: Trust position ACTION

Once is public → risk of Comms. CQC Link
TC & Atk.

21. World going forward → Bristol review report.
 Future not going to be the same.

sth. update.

Tue 3 born PD June 2016.

CCKMEE, reporting deaths.

Child O & P & R

Referral from

Doctor V

(maybe verbal) ?

Died 23 June '16
1147 hrs.

Referral (?

from whom)

Died 24 June '16 1600 hrs

To Liverpool.

? bereavement support. Counselor to Grace dealing.
Christine Hunt contact June H. (Pt. Simon) on Mon. 27. June '16
requesting copies of hosp. notes for baby & mother
in prep. for post mortem. — Paediatric PM's
Dr. Cocke

→ Referrals, 1st baby on 24. June (day after) } from AM
2nd baby on 24. June (same day) }

→ Advised that 2 babies being collected at 2pm
on Mon 27 June & transported to Alder Hey for PM.
Coroner's officer stated that the coroner wanted
to spk to Dr. McCormack later that day (27 June '16)
Don't know what happened after that re: any conversation.
NB. Placenta not retained 'by' well at birth.

? Ho Pathologist ?

PM's. 12 - 15 wks. return on results.

Paediatric PM's beg not believed to be suspicious ??

WHY NO
COMMENT
FROM
CONSULTANTS?24thpm. TC. IH. LB. ALE. SPE.

Outline of position to date.

Blood cultures issue.

Reporting deaths to coroner issue.

Nurse - AL from tonight & then 2 wks off.

Comme. - to be agreed.
