

Nurse x

Supervised practice for Nurse.

What is the scenario if Consultants insist on moving nurse?

Unthinkable re: Nurse.

Supervised practice.

Check competence.

Increased insecurity measures.

Already moved nurse from nights to days.

Conversation with nurse + others.

What other support is needed → Sean/Karen

Ed re-deploy (Admin support)

May go sick

If she comes out of clinical practice will have massive impact on staff.

Overall strategy of going forward Wrc dept?

Mtg with Consultants.

Ian to give headlines.

J.G. 2014 is also showing increases as 2015/2016, 2013 is below the line.

Rawi. Is it more preterm babies?

J.G. Before 2013, babies out less than 27/28 wks

1.12. Murky left room "Distressed"

J.G. Shilborn issue? Does it affect numbers of deaths.

IH. We are aware of your concerns re: one member of staff.
