Subject: Neonatal/Maternity Mortality Review Meeting
Attachments: image001.png

Hi Steve, I just wanted to thank you for your contribution earlier in our meeting, it was reassuring to know that each case had been looked at in such detail and that we recognised that some areas required further review. I know it has been a particularly challenging few weeks for all the team, I am mindful that currently Ian H is on leave but if you wanted to discuss anything outside of the unit, then I am happy to meet with you.

Regards, Alison
