Hi Steve,

Just to say that I have discussed the above with Anne Murphy and on reflection it was decided to leave this until Monday. Alison Kelly was not in the hospital and Sian had just left as was

I&S

I have devised a document to reflect the information clearly and it is unfortunate that she was on – however each cause of death was different, some were poorly prior to their arrival on the unit and the other were ?NEC or gastric bleeding/congenital abnormalities.

I have attached the document for your perusal.

See you Monday – I will discuss further with Debbie on Monday.

Regards

Eirian
