Subject: Neonatal mortality

Dear all,

Eirian and Anne and myself met Ian Harvey and Alison Kelly last week to discuss the rise in neonatal mortality last year. It was a helpful meeting and they were grateful for the work we have done in the various reviews and involving an external clinician.

Naturally, we will be keeping close eye on things in the immediate future. **If you do come across a baby who deteriorates suddenly or unexpectedly or needs resuscitation on NNU, please could you let me and Eirian know.** We will keep a record of these cases and review them as soon as practicable.

Thanks for your help.

Steve
