Dear Sue,

Thank you for the email. I have accepted the meeting this morning.

I would like to reiterate that I think it is inappropriate to be undertaking this process now when the Trust is still investigating the cause for the increased neonatal mortality between June 2015 and July 2016.

Best wishes,
Steve

Good morning Steve,

Further to our recent emails, I just wanted to advise you of the information we have received from Jane Jones, mediator from CWP, regarding the joint meeting. She has indicated that it would be advisable to keep the afternoon of the 22nd March free from 2pm. I will of course advise you of further information once this is available.

Best wishes,
