

Tim Harvey^{MD} - Co of Chester ~ 3/1/17.

Paediatricians concerned re ↑ in neonatal deaths over 18/12.
V. low nos.
not an outlier } → Preliminary investigation

Meantime downgrade to mit L3 → L2

Review by RCPCH, v. thorough

- report in due course, no immediate concerns

↳ now advise further independent review
neonatologist (London)

seen draft - actions

- further review by pathologist
@ Alder Hey

Anticipate full report in 4/17.

→ Comms plan + sharing etc.

Continue @ L2 level

met with Network → no evidence of ↑ risk to others

↳ Ask for using this as an example of
'how to do it, if needed in future'
Example of governance

Have involved families

Met @ CCG, Spec Comm, NHTSE + inform them
of what has been happening.

Noty @ staff + parents ~ 10 Jan
