

29 June 16 - Execs

- Call from TC to defer CPC Comms in light of NNU concerns raised. (09.16)
- No issues identified by CDC.
- Need to understand all issues. but would not be good timing for trust or CPC to present 'Good' in light of current concerns.

(10.08)

- Call to Bridget Lees - high level reasons expressed. She could see what she could do but process is automated.

AK attended Execs late * from home.

Advised conversation with BL re: CPC Comms.

- ↳ Need to brief Ann Ford (CPC) Separate NNU mtg ensued.
