Neonates (unexpected deaths)

- \* review of pts all deaths 13114 (6 cases) - no common pattern
- \* thematic review of neonates based upon higher than exp levels of mortality 2014-15. - Nos had significant illness + other morbidities. - babies crash + notable to resuscitate. ?? NMC informed.

Commissioned external review - from Jan 2015 - Jun 16 over 10 deaths.

Action

- ① Get all the paperwork together
- ② look @ report from external review
- ③ Check all investigation reports into Neonates Deaths and output. ie expected, unexpected, → any suspicions
- ④ Report @ 1pm in ic office.
