Good Morning Chris

I write further to your email below, Stephen has asked that I forward a copy of the review for the attention of the Coroner.

Please note that this is still confidential to the Trust Board and will be shared with our relevant clinicians at a meeting to be held on Thursday 26<sup>th</sup> January 2017.

Stephen has therefore asked that you advise the Coroner accordingly and once it has been shared with our clinicians, the Trust has a communication plan for wider dissemination of the report, which we can share with you.

Kind regards  
Claire
