Natural death - particular incident.
- linked by accident.

→ Prematurely decided not to

- ① RCGP Child + Paed Heat - ext. RIV. - recommends (20)
- ② forensic Path. RIV. - recommends

→ Consultant concerned re a number of cases where "unnatural" / unnatural causes of death.

→ ? "Speak out Safely" badge.

→ direction of trial from Board re recommendations are not enough + experts don't have answers for some of deaths

? Motivation for Cons.

? board not listening

Cons. thinks Trust should call RIV

CEO / MD / HRD

→ redeployed member of staff - Plan to return next wk.

→ Mediator b/w Consultant nurse.
→ apology from Cons.

(final grievance - upheld) - should have been more open re reasons

- Consultant motivated?

↳ feels Royal Culy RIV was service not
in-depth forensic inv.
↳ He believes sometime has happened.

↳ Cons. not saying if you don't do it,
we will ~~do~~ but thereby resignation

↳ ? altered mortality rate

↳ Staffy same.

↳ re-introducer to unit - Pt Safety
perspective?

↳ ? Potential clinical concerns.

↳ ? Consider refer cons. to GMC.

↳ Advised NMC so far

(*) ? 2 x ext. RIVs sufficient incident investigations

(*) MD has also raised cases against staff
patterns - she is there a lot but.

(*) MD considers satisfies incident investigation

(*) been to Coroner - shared reports too.
