Hello Kieran

Thanks for the chat today.

As you have advised I have collated my notes into a written log and we will keep careful written records.

Robert tells me Margaret Kitching has spoken to Tony C. She seems content to adopt a wait and see approach. It does seem to me that when you actually talk to the Trust, the story is more reassuring than when you then try and then convey that story to another person. I will keep asking for daily updates.

Robert is going to ring Graham Urwin to update him.

Michael
