

TC. Concern from TC. talking to Nurses on unit who felt transfers were inappropriate/unfair to families. Dark side of countless culture. Need to re-profile group think of Docs.

Unit safe or NOT?
Leadership - parachute leaders in!

LB. This am - Lucy distressed yesterday
CWP mediator not available
Lucy finishes shift today. To father. To GMC?

TC. If it 'blows' - yes.
We hv. followed a measured line.
Coroner - 2pm. (1H & SPE)
TC. to respond to clinicians. (DRAFT)

↳ share additional comments from College re: Lucy in response to clinicians.

10.30am
EDG. Part 2. TC. Gw G. LB. CG. SPE. SIM. JG. SB. KT. RB. SIMON. LB. CJ.

STP update. Richard - Pathology - coch. stable.
STP/Los → Currently 'dope dinner'
Health & well-being Rounds stable vehicle for commissioning.

Teletracking update - sensitivities. Options are to EDG2 in 2wks. Partnership forum updates (Rodge wearing to March. mky) (Peters - live 28 Feb 17? date)

Audit Tracker update
Volunteers xmas 'get-together' 1 March '17.

CR Job Panel outcome?

Warrington. Coroner. HR. AM. 1H. SPE. 1.45pm.
Bundle passed to Coroner.

Short time more than a shot blip. - prem babies
Rather than wait → Renew. (Senior investigation)
10. cause? Report. Shortcomings but not cause of death.

Around capacity of unit - diffc
Senior not called in early enough.

Transfer?
Senior review?
Downgraded unit. Unit well motivated.
Review re-comm. 'in-depth' investigation.
1 or 2 Inq. held 1 or 2 pend
Child O&P to be decided or discontinue investigation.

↳ ed be congenital problem
no indication of bad procedures.

Team (Reeds) to written to
to hold Inq's in every case.
Need reason for Inquest - not quality assurance.
Un-natural or unknown? often happens unit.
↳ for Inquest

1) pathologic say natural cause - r no poor clinical judgement - no INQUEST.
Need to look thro these. 'Governance' procedure.
Absolutely right action by Trust.

1H. In depth investigations cover 13 depths.
+ 4 near misses.

Unexpected collapse.

Lab; Deaths - Inquest held - cannot change
Child A not to re-open 'high case'.

Death - no Coroner involvement.
No body in jurisdiction no formal jurisdiction
Part A. completed
No seized jurisdiction

keynotes.

- Allowed com. to be issued
 - If new info - grounds to hear it -
 - or nothing - cause unknown - no jurisdiction.
- Not overseer of clinical excellence for hospital.

Am. Based on jurisdiction.
- Yes or No.

Helpful.
