Hi Doctor U

Lucy would not need a honorary contract but we can issue her with a letter of access, I will contact Countess of Chester and ask them to confirm Lucy's Pre-employment checks. Once they have confirm I will let you know if we need to apply for any outstanding checks ie DBS.

Many thanks

Hi I&S

Yes, Lucy Letby is a Neonatal Intensive Care Unit nurse from the Countess of Chester, she is using the theatre observation to build up part of her PDP, it will just be observation in theatre, most likely 2-3 days in Jan / Feb 2017

Hi Doctor U

Yes this is correct. I am sending your email to the recruitment team as they are now processing the honorary proformas.
