May 2020-May 2021: Locum GP covering maternity leave in St. Catherine's Health Centre, Wirral

August 2014- April 2020- GP training LTFT

Training posts consisted of General Practice (Claughton Wirral, Weaver Vale Runcorn, Cavendish Birkenhead, Upton Group Practice and St. Catherine's Health Centre, Wirral ), Halton Haven Hospice Runcorn and hospital placements at Countess of Chester Hospital in Paediatrics, Obstetrics/Gynaecology, Geriatric and General Medicine.

August 2013- August 2014-Trust SHO in Obs/Gynae, Wirral University Teaching Hospital (full time)

**August 2012- August 2013 F2 LAS rotation, Wirral University Teaching Hospital**  
Full-time post -training triplet in Trauma and Orthopaedics, Anaesthesia + on-calls in Orthopaedics,  
Dermatology and Neuro rehabilitation and Stroke Rehabilitation Unit., Obstetrics and Gynaecology

**June 2012 - August 2012 full-time, Medical SHO/Trust Grade, Wirral University Teaching Hospital**

**August 2011- September 2011 full-time, F2 trainee, Wirral University Teaching Hospital**  
**GP practice in Gladstone Medical Centre, Birkenhead, Wirral**

I originally started my F2 training year in 2011 and spent 6 weeks in General Practice however I resigned

**I&S**

**January 2010- August 2011, Wirral University Teaching Hospital**  
**Locum House Officer**

I had to re-train from the beginning because I had a career break for almost five years and I was returning into a different working system in a different country.

I achieved F1 competences in August 2011.

**April 2007- May 2007 Anaesthetic department and ITU, Southend University Hospital**  
**Grade: SHO – Full-time**

This was an attempt to return to my original specialty however my **I&S** circumstances did not allow me complete more than two months.

#### **EMPLOYMENT HISTORY IN THE CZECH REPUBLIC:**

**July 2001-September 2005 Department of Anaesthesia and Intensive Care Unit, “NMSKB- Hospital”,  
Prague, The Czech Republic**  
**Grade: Specialty doctor**

**Oct 2000 – June 2001 Department of Anaesthesia and Intensive Care Medicine, District Hospital,  
Havlickuv Brod, The Czech Republic**  
**Grade: Junior doctor**
