

Safeguarding Children 2015

Howie Isaac

Named Doctor for Child Protection COCH

Paula Lewis

Specialist Safeguarding Children Practitioner

Remember.....

- Safeguarding is everyone's business
- It is more dangerous to the child if you have suspicions and do nothing than to identify issues and be wrong with the suspicions
- **"It is simpler to lift the telephone than live with the regret of not doing so" SCR Baby Peter**
- The protection of children takes precedence over the DPA
